

THE JOURNEYING

Dorothy Colgan

a member of St. Meinrad Parish in St. Meinrad, IN

There was a time I seemed to sail upon a vast, blue sea,
Scanning the horizon for some distant, golden shore,
Imagining that happiness lay just ahead of me,
In some wondrous perfect place I'd never seen before...
But as the days and years passed by,
I came to comprehend
That the joy is in the journeying,
Not at the journey's end."
