

The Choice

Og Mandino

CHOICE! The key is choice. You have options... So how do we explain that vast multitude of humanity that continues to exist in hopeless mediocrity, unfulfilled, frustrated, envious, drained of confidence and self-esteem, unable to meet even their daily obligations, and sad – so sad – that each new day produces no fresh seedling of hope, only more weeds of despair from showers of tears?

The answer is simple and obvious. Those who live in unhappy failure have never exercised their options for the better things of life because they have never been aware that they had any choices!...

Look closely. Consider the choices still available to you, choices that you can elect immediately, no matter what your present condition may be, so that you can live the remainder of your life as your Creator intended for you to live – in glory, not in shame.

*There must be a better way to live.
There is a better way to live.
I choose a better way to live!*
