

Simply Neglect

Jim Rohn

Neglect is like an infection. Left unchecked it will spread throughout our entire system of disciplines and eventually lead to a complete breakdown of a potentially joy-filled and prosperous human life.

Not doing the things we know we should do causes us to feel guilty and guilt leads to an erosion of self-confidence. As our self-confidence diminishes, so does the level of our activity. And as our activity diminishes, our results inevitably decline. And as our results suffer, our attitude begins to weaken. And as our attitude begins the slow shift from positive to negative, our self-confidence diminishes even more...and on and on it goes.
