

# ***A SENSE OF URGENCY***

**P**erhaps my findings are not the only solution, but with all my heart I believe the fires of greatness in our heart can be kept aglow only after we develop a sense of urgency and importance for what we are doing. I mean a sense of urgency to the extent that we feel it is a matter of life and death; and it is a matter of life and death, for in growing we are alive and in quitting we are dying in a sense. If you don't believe this, talk to anyone who has lost the sense of urgency of getting things done and has been drifting in complacency, mediocrity and failure. If you are without a sense of urgency in your work, you know what I mean.

**A** sense of urgency is that feeling that lets you know yesterday is gone forever, tomorrow never comes. ***TODAY is in your hands.*** It lets you know that shirking today's task will add to wasted yesterdays and postponing today's work will add to tomorrow's burden. The sense of urgency causes you to accomplish what today sets before you. Thank God for the sense of urgency that can change a dull, shabby existence into a sparkling life. Right now, ask God to give you a sense of urgency. Believe that He did, and then act accordingly.
