

# **Why Not You!**

Jerry Clark

- ✧ Someone will wake up when they are done sleeping...  
Why not you!
- ✧ Someone will spend more time with their family...Why  
not you!
- ✧ Someone will serve as an example instead of a  
warning...Why not you!
- ✧ Someone will live life on their terms...Why not you!
- ✧ Someone will create a life filled with peace, passion,  
and prosperity...Why not you!
- ✧ Someone will call three people now and thank them  
for their support...Why not you!
- ✧ Someone will give thanks for all the blessings in their  
life...Why not you!
- ✧ Someone will leave this planet a better place than  
before they arrived...Why not you!
- ✧ Someone will smile once they realize the truth in these  
words...Why not you!
