

Ordinary Days

Ann Kiemel Anderson

Don't you kids know,
That life is made up of ordinary days
When there is no one to pat you on the back?
When there is no one to praise you?
When there is no one to honor you?
When there is no one to see how brave and noble you are?

Almost all of life is made of these ordinary days.
And it is how you live your ordinary days
That determines whether or not you have big moments.
Get out there and make something of your ordinary days.

You have many ordinary days behind you,
Most of which were filled with sweat and work.
And you have also had some big moments
That were a result of the ordinary days.
But there is a big moment that has not
been realized for quite some time.

It is time for that moment!
