THE WORLD NEEDS LEADERS...

- ✧ Who use their influence at the right times for the right reasons;
- ✧ Who take a little greater share of the blame and a little smaller share of the credit;
- ✧ Who lead themselves successfully before attempting to lead others;
- ✧ Who continue to search for the best answer, not the familiar one;
- ✧ Who add value to the people and organization they lead;
- ✧ Who work for the benefit of others and not for personal gain;
- ✧ Who handle themselves with their heads and handle others with their hearts;
- ✧ Who know the way, go the way, and show the way.

- ✧ Who inspire and motivate rather than intimidate and manipulate;
- ✧ Who live with people to know their problems and live with God in order to solve them;
- ✧ Who realize that their dispositions are more important than their positions;
- ✧ Who mold opinions instead of following opinion polls;
- ✧ Who understand that an institution is the reflection of their character;
- ✧ Who never place themselves above others except in carrying responsibility;
- ✧ Who will be as honest in small things as in great things;
- ✧ Who discipline themselves so they not be disciplined by others;
- ✧ Who encounter setbacks and turn them into comebacks;
- ✧ Who follow a moral compass that points in the right direction regardless of the trends.
